Application No. 10/786,148

REMARKS/ARGUMENTS

Claim Amendment

Claim 2, the only claim under examination, has been amended from a product claim to a method claim. Support of the claimed method can be found on page 35, second paragraph; also

on line 13-16, page 39.

The Applicant also notes, although not claimed, other methods of using the sequence as

set forth in SIG. ID 76 includes those embodiments disclosed at the bottom of page 40, and top

of page 41.

Request For Allowance

Claims 1-3, 5-79 are pending in this application. Only claim 2 is under examination, all

other claims were withdrawn from examination. The applicant expresses his gratitude to the

Examiner for the courtesies extended to Applicant's undersigned representative throughout

prosecution of this application. In view of the foregoing, Applicant respectfully submits that claim 2 patentably define the present invention over the citations of record. Favorable

consideration is respectfully requested.

Respectfully submitted, WPAT, P.C.
